CALL FOR NOTICES OF INTEREST

DGA Centrum Sanacji Firm S.A., the Manager in the remedial procedures of **MENNICA – METALE SZLACHETNE S.A. in reorganization with its registered office in Radzymin**, calls for making yourselves familiar with the potential of the production plant in Radzymin.

As a part of the remedial procedure, the reorganization plan provides for the disposal of assets of the plant, which features the equipment for industrial processing of noble metals. The Manager is also interested in discussions about collaboration and/or investments in the plant.

You are warmly invited to analyse our proposal and contact the undersigned to receive the Information Memorandum, arrange a date of site visit to Radzymin, and, if necessary, carry out due diligence.

Please e-mail me the signed non-disclosure agreement in order to receive the Memorandum. I look forward to your contacts until 18 July 2017.

Best regards

Andrzej Głowacki
CEO
DGA Centrum Sanacji Firm S.A.

Enclosures:

1. General Information about the production plant in Radzymin.
2. Non-Disclosure Agreement.
