**CALL FOR NOTICES OF INTEREST
TO ACQUIRE THE COMPONENTS OF
PRODUCTION PLANT IN RADZYMIN**

DGA Centrum Sanacji Firm S.A., the Manager in the remedial procedures of **MENNICA – METALE SZLACHETNE S.A. w in reorganization with its registered office in Radzymin**, calls for making yourselves familiar with the potential of the production plant in Radzymin.

As a part of the remedial procedure, the reorganization plan provides for the disposal of assets of the plant, which features the equipment for industrial processing of noble metals. The Manager is also interested in discussions about collaboration and/or investments in the plant.

You are warmly invited to analyse our proposal and contact the undersigned to receive the Information Memorandum, access to the virtual data room, arrange a date of site visit to Radzymin, and, if necessary, carry out due diligence.

Interested parties please e-mail me the signed non-disclosure agreement, which will allow the provision of information memorandum (also in English) and the Rules of Procedure.

The deadline for submitting bids according to the Rules of Procedure is 10 October 2017 at 15:00.

Offers, in Polish, should be delivered to the headquarters DGA Centrum Sanacji Firm S.A., ul. Towarowa 35, V piętro, 61-896 Poznań.

Best regards

Andrzej Głowacki
CEO
DGA Centrum Sanacji Firm S.A.
